Thank you for all your help in finding me employment. Everything has gone so smoothly from applying for the vacancy, being interviewed and starting work. Even when i started work it was good to know that there was help on hand if i needed it. Thank you again, I would certainly recommend Cavendish Staffing to friends.

Sylvia, Permanent RGN position, Tyne and Wear

I have worked for Cavendish Nursing Agency for more than a year now and have had continuous placements throughout. I have always been paid on time and have had friendly and professional support from the office staff. It was a very good decision to join Cavendish.
