Independent Care Services

Cavendish Staffing is a prestigious Nursing and Domiciliary Agency with over 30 years of experience within the field. We offer a reputable, professional and personal service to accommodate your Homecare needs. Whether you require Trained Nurses, Carers, Companions or Home Assistance, our suitably qualified and experienced staff are readily available at your request. Our Registered Nurse Manager works personally with all enquiries to assess how we can assist in providing you with the highest standard of care, whilst aiming to be cost effective.

**Call our Registered Nurse Manager to discuss your
specific care requirements:**
